## Access Shoreview November 21, 2011

### Recent Council Actions

At their regular Council meeting on Monday, November 21, City Council took the following actions:

- Approved amendments to the 2008 Comprehensive Plan, Chapter 5: Transportation. The amendments are consistent with the 2030 Transportation Policy Plan adopted by the Metropolitan Council. The amendments incorporate changes to the Metropolitan Council's highway, transit and aviation system plans, but do not impact Shoreview's local systems.
- Appointed Emy Johnson and Gene Marsh to the Economic Development Authority. The EDA promotes economic growth and community vitality by creating partnerships, fostering employment opportunities, supporting diverse housing programs and expanding the tax base through development and redevelopment. Emy Johnson's term will expire December 31, 2012 and Gene Marsh's term will expire December 31, 2014.
