611 Domestic Partner Registry

611.010 Purposes and Findings. The City of Shoreview authorizes and establishes a voluntary program of registration for domestic partners. The domestic partnership registry is a means by which unmarried, committed couples who reside in Shoreview and who share a life together may document their relationship.

Shoreview's Domestic Partnership ordinance is a City ordinance and does not create rights, privileges or responsibilities that are available to married couples under state or federal law.

The City of Shoreview cannot provide legal advice concerning domestic partnerships. Applicants and registrants may wish to consult with an attorney for such advice including but not limited to: wills, medical matters, finances and powers of attorney, children and dependents, medical and health care employment benefits.

611.020 Definitions:

(1) Domestic Partners. Any two adults who meet all of the following:

- (a) Are not related by blood closer than permitted under marriage laws of the state.
- (b) Are not married.
- (c) Are competent to enter into a contract.
- (d) Are jointly responsible to each other for the necessities of life.
- (e) Are committed to one another to the same extent as married persons are to each other, except for the traditional marital status.
- (f) Do not have any other domestic partner(s).
- (g) Are both at least 18 years of age.
- (h) At least one of whom resides in Shoreview.

(2) Domestic Partnership. The term "domestic partnership" shall include, upon production of valid, government-issued documentation, of said relationship in addition to domestic partnerships registered with the City of Shoreview, and regardless of whether partners in either circumstances have sought further registration with the City of Shoreview:

- (a) Any persons who have a currently-registered domestic partnership with a governmental body pursuant to state, local or other law authorizing such registration. The term domestic partnership shall be construed to include unions, regardless of title, in which two individuals are committed to one another as married persons except for the traditional marital status.

- (b) Marriages that would be legally recognized as a contract of lawful marriage in another local, state or foreign jurisdiction, but for the operation of Minnesota law.

611.030 **Registration of Domestic Partnerships.** The City Clerk shall accept an application in a form provided by the City to register domestic partners who state in such application that they meet the definition of domestic partners.

The City Clerk shall charge an application fee for the registration of domestic partners or notices of termination. The fees required by this Section shall be in the amount set forth in Exhibit A: Administrative Fees.

The City Clerk shall provide each domestic partner with a registration certificate. The registration certificate shall not be issued prior to the third working day after the date of the application.

This application and certificate may be used as evidence of the existence of a domestic partner relationship.

The City Clerk shall keep a record of all registrations of domestic partnership, amendments to registrations and notices of termination. The records shall be maintained so that amendments and notices of termination are filed with the registration of domestic partnership to which they pertain.

The application and amendments thereto, the registration certificate, and termination notices shall constitute government data and will be subject to disclosure pursuant to the terms of the Minnesota Government Data Practices Act.

611.040 **Amendments.** The City Clerk may accept amendments for filing from persons who have domestic partnership registrations on file, except amendments which would replace one of the registered partners with another individual.

611.050 **Termination of Domestic Partnership.** Domestic partnership registration terminates when the earliest of the following occurs:

- (A) One of the partners dies; or
- (B) Forty-five days after one partner sends the other partner written notice of termination and that he or she has terminated the partnership by filing a notice with the City Clerk.

611.060 **City Fees.** If the City of Shoreview offers a family fee, family membership or family registration, domestic partners are entitled to the same family fee, family membership or family registration.
