# SHOREVIEW FALL FUN!

## Lake Johanna Fire Department's Fall Open House

**Saturday, October 6**..... 11 A.M. to 2 P.M.

*Fire Station #3 – 5545 Lexington Ave. N. (at County Road I), Shoreview*

Mark your calendars for all the fun festivities held annually in celebration of Fire Prevention Week. This year's message is "Look. Listen. Learn. Be aware. Fire can happen anywhere."

Join us for a day of free family-fun with special guests and a variety of activities.

## 20<sup>th</sup> Annual Farmers' Market

### Tuesday afternoons

June 5 – September 4.....3-7 P.M.

September 11 – October 23 .....3-6 P.M.

*Shoreview Community Center  
 Lower Level Parking Lot & Pavilion*

The popular Shoreview Farmers' Market continues to bring the community together on Tuesdays this fall. Join us and enjoy fresh local produce, vibrant flowers, artisan items and special events.

## Halloween Spooktacular

**Friday, October 26**.....6:30 to 8 P.M.

*Shoreview Community Center – 4580 Victoria St. N.*

Come join the spooky fun! Enjoy DJ music and dance to the Monster Mash, create a Halloween craft, bingo, and more! Children must be accompanied by a registered adult. Admission is good for 1 child and 1 adult. Register by Wednesday, Oct. 24. Price is \$16 per couple. Visit [www.ShoreviewCommunityCenter.com](http://www.ShoreviewCommunityCenter.com).

*On the cover: Kids had a blast visiting with firefighters and deputies during this year's Night to Unite, held on August 7th.*

## Shoreview City Council Seeks 2018 Citizen of the Year Nominees

The City of Shoreview is currently seeking nominations for the 2018 Citizen of the Year award.

This annual award was created by the City Council to bestow a special honor to a citizen who exemplifies the spirit of giving back to the community and fellow Shoreview residents. The Council's goal for this award is to publicly recognize the volunteer efforts of deserving citizens, and inspire others to step up and continue the long tradition of Shoreview citizens volunteering and enhancing the quality of life in the community.

*Past Shoreview Citizen of the Year award recipients include:*

- Ady Wickstrom (2017)
- Steve Gallop (2016)
- George C. Lang (2015)
- George Robinson (2014)
- Julie B. Williams (2013)
- Mark Stange (2012)
- Marsha Soucheray (2011)
- Peggy Wedell (2010)
- Jacci Krebsbach (2009)
- Kent Peterson (2009)
- Bill Farrell (2008)
- Karen Eckman (2008)
- Mary Hilfiker (2007)

Nominees for this award must possess and demonstrate a generous community spirit. If you know someone deserving of this recognition, please visit our website at [www.shoreviewmn.gov](http://www.shoreviewmn.gov) for more details and to complete a Nomination Form. Nominations are due by October 1, 2018.

Thank you to everyone who provided input to help us shape Destination Shoreview 2040, the City's Comprehensive Plan. This extensive document provides a long-term vision that guides land use and development and is the result of an 18 month planning process that involved members of the community and the City's advisory groups.

Advisory groups were involved in drafting chapters that aligned with their mission and expertise. Opportunities for members of the public to participate were provided through traditional outreach methods such as public meetings or open houses as well as more innovative methods including the use of social media and online survey instruments. This engagement process provided opportunity for feedback and is intended to create a sense of ownership in the Plan's recommendations. Drafts of all chapters are completed and are available online at [destination.shoreviewmn.gov](http://destination.shoreviewmn.gov) and are still open for comment. You can submit your comments online, via email or mail them to the City's planning staff.

The formal review process for the Comprehensive Plan will commence in October with the Planning Commission. Final approval by the City Council is expected in December. The following summarizes the remaining process.

- Public Hearing at the Planning Commission meeting: October 23, 2018 and November 27, 2018 at 7:00 P.M.
- Hearing at the City Council meeting: December 17, 2018, at 7:00 P.M.

Meetings take place in the Shoreview City Council Chambers: 4600 Victoria Street North. You are encouraged to attend these meetings and provide any comments you have.

## Shoreview Channel 16 City Meeting Broadcast Schedule

Tune in to Shoreview Channel 16 for access to public meetings, community events and other local government information.

### Shoreview City Council Meetings

**Live:** Every first and third Monday of the month at 7 P.M.

**Replays:** Monday, Wednesday, Friday and Saturday at 12:30 P.M. and 7 P.M.  
Tuesday, Thursday and Sunday at 12:30 A.M., 8 A.M. and 3 P.M.

### Shoreview Planning Commission Meetings

**Live:** Every fourth Tuesday of the month at 7 P.M.

**Replays:** Monday, Wednesday, Friday and Saturday at 12:30 A.M. and 8 A.M.  
Tuesday, Thursday and Sunday at 7 P.M.

## Council Establishes Goals for the City

Every few years, the Shoreview City Council holds a goal-setting session. During this session, the Council reviews past accomplishments, discusses future opportunities and challenges, and identifies goals for the next 2-5 years. During their 2018 session, the City Council identified the following six goals:

### 1. **Financial Stability** – Continuously work to maintain and further improve the long-term financial stability of the City.

Achieving and preserving financial stability is an important priority of the City and has been a hallmark of all prior goal setting sessions. Thanks to the City's continued focus on long-range financial planning, the City has been able to maintain its AAA bond rating. This is the highest bond rating available and has saved Shoreview homeowners and businesses hundreds of thousands of dollars in lower interest rates on major capital projects such as the Water Treatment Plant, Community Center Expansion and Renovation, and street rehabilitation and reconstruction projects. This goal reiterates the City's commitment to maintaining sound financial practices and policies to ensure that the City remains in a solid financial position, while maintaining the ability to navigate economic cycles without sacrificing financial strength.

### 2. **Organizational Priorities** – Update organizational capacities and capabilities to position the City for continued success.

This new goal focuses on the internal organization of the City to ensure continued success. A key objective of this goal is updating the City's mission, vision and value statements. The goal also includes developing a comprehensive communications plan that emphasizes social media, branding and innovative tools to better connect with our residents and businesses. The Council also identified the need to evaluate future staffing needs and transition planning to maintain Shoreview's high standards of customer service.

### 3. **Parks and Public Facilities** – Update and expand public facilities and parks to enhance the City's quality of life and provide a "community for all ages."

As past surveys show, the Community Center, parks, trails and open space play an important role in the lives of our residents. This goal involves many different improvements, including completing the Community Center expansion project and successfully implementing new programs and services. The Council is also focusing on the Shoreview Commons Park and will be completing a master plan and beginning

implementation over the next year. Also included in this goal is pursuing park and building updates according to the long-range capital plan and identifying and constructing missing links in the City's trail/path system.

### 4. **Transportation** – Improve public transit options and trails to better connect neighborhoods, jobs and public places.

This new goal emphasizes the City's continued support for additions or modifications to public transit in Shoreview. The goal includes adding questions regarding public transit in the 2018 community survey and measuring the need/demand for options in Shoreview.

### 5. **Economic Development and Business Retention** – Improve the environment for business expansion, redevelopment.

A strong business community is an important factor in building a stable and diversified tax base and in providing quality jobs and retail services to residents. Therefore, a key component of this goal includes continuing the Business Retention and Expansion Program (BRE), an outreach program that connects and plans visits to many of the key and emerging businesses in the City. High priority is also placed on exploring potential redevelopment opportunities. These objectives are also incorporated into the City's Economic Development Authority and Economic Development Commission work programs.

**6. Housing** – Provide a full range of housing choices responsive to the needs of Shoreview - both today's residents and tomorrow's.

Shoreview is chosen as a place to call home by many thanks to our high quality of life, award winning school districts, and extensive park and trail system. More importantly, residents are able to choose Shoreview because they found housing that met their needs. This new goal focuses on providing a diversified housing base for our current and future residents by identifying older apartment sites for reinvestment or redevelopment, adopting an inclusionary housing policy to provide affordable housing units, and concentrating efforts to maintain older homes. Again,

these objectives are included in the City's Economic Development Authority and Economic Development Commission work programs.

According to Mayor Sandy Martin, "Establishing and communicating these goals to our residents is important because they identify key initiatives that we plan to accomplish over the next few years in order to maintain Shoreview as one of the premier Twin Cities suburban communities."

## Community Center Expansion Nearly Complete

As you visit the Community Center you can see that the major expansion project started last fall is nearly complete, with a significant portion of the project completed and being used for classes and programs. The entire project is expected to be completed in fall, 2018.

### Two Story Addition

The two story addition adjacent to the gymnasium opened in July. The four new activity rooms located on the upper level are being used for a variety of classes ranging from cooking to theater and dance. The rooms are also available to rent for parties and events at certain times. Guests can access these rooms from the newly expanded Fireside Lounge.

The four new fitness studios, including a dedicated cycling studio, on the lower level are also open. With these state-of-the-art studios, the Community Center is now offering new classes and the flexibility to try them all! Individuals can purchase the Group X Card and attend any classes, no advance registration required. Visit [www.shoreviewcommunitycenter.com](http://www.shoreviewcommunitycenter.com) for more information.

### Fitness Center

With the new fitness studios open, former Studio 2 was renovated to a stretching and training space within the Fitness Center.

This new area will be

opening in mid-September. Additionally, new flooring was installed in the Fitness Center at the end of August and early September.

### Tropical Adventure Indoor Playground

The newly renovated Tropical Adventure Indoor Playground will be opening in mid-September. The renovation of the Playground includes a much larger playground area, a greatly expanded toddler area, and improved seating for adults. Additionally, a new entrance to the Playground is now available through the new lower level hallway.

### Tropics Indoor Waterpark

Work continues on the 7,500 sq. ft. expansion to the Tropics Indoor Waterpark, Bamboo Bay. Bamboo Bay will be a zero depth shallow water splash pool with a major interactive aquatic play structure and is expected to open in fall, 2018.

### Grand Opening

The City will be hosting a grand opening and member appreciation event once the entire project is completed in the fall. Keep an eye out for more information on the City's website at [www.shoreviewmn.gov](http://www.shoreviewmn.gov) and social media pages.

The City greatly appreciates your patience during this expansion project!

## Top 10 Election and Voting Questions Answered

### 1. When is the General Election?

The General Election is on Tuesday, November 6, 2018.

### 2. What time do polls open on Election Day?

Polls are open from 7 A.M. – 8 P.M. on election day.

### 3. How can I find where I vote?

You can find a link to Ramsey County's Precinct finder and a map online at [www.shoreviewmn.gov/polling-place](http://www.shoreviewmn.gov/polling-place).

### 4. Can I absentee vote and when?

Voters no longer need to state a reason for voting prior to Election Day. Absentee ballots will be available at City Hall during normal office hours, Monday – Friday, 8:00 A.M. – 4:30 P.M. September 21st – October 29th. Ramsey County will also have several early voting locations open October 30th – November 5th. Below is a list of nearby locations for the state general election along with hours. For a full list and to obtain an absentee ballot application, please visit [www.co.ramsey.mn.us/elections](http://www.co.ramsey.mn.us/elections).

#### Facility/Address

Arden Hills Public Works Building  
1425 Paul Kirkwold Dr., Arden Hills

Owasso Building  
5 Owasso Blvd E, Little Canada

Ramsey County Library – Shoreview  
4560 Victoria St N, Shoreview

Ramsey County Library – Roseville  
2180 N Hamline Ave, Roseville

Ramsey County Library – White Bear Lake  
2150 2nd St, White Bear Lake

#### Hours

October 30th – November 2nd  
12:00 P.M. – 6:00 P.M.

November 3rd  
9:00 A.M. – 3:00 P.M.

November 4th  
Closed

November 5th  
9:00 A.M. – 3:00 P.M.

### 5. How do I absentee vote by mail?

To begin the process, request an absentee ballot online at [www.mnvotes.org](http://www.mnvotes.org). If you are not a registered voter, a voter registration card will be included with your ballot and must be returned with the ballot. Absentee ballots can be mailed to:

**Ramsey County Elections**  
**PO Box 64098**  
**St. Paul, MN 55164**

### 6. How do I vote if I or a spouse are in the military or overseas?

Military and overseas voters can use a special process to get and return their ballot. Check Ramsey County Elections website ([www.ramseycounty.us/residents/elections-voting](http://www.ramseycounty.us/residents/elections-voting)) for more information. Apply for your ballot as soon as you can.

### 7. When do I have to register to vote?

You must register if you have:

- Never voted before
- Not voted in the last four years
- Moved since last voting
- Changed your name since last voting

### 8. How can I register?

You can register to vote online. You must meet eligibility guidelines, provide an email address, and provide an identification number from either your Minnesota Driver's License, Minnesota ID card or the last four digits of your Social Security Number.

You can also submit your completed voter registration application to Ramsey County Elections by mail or in person. You may also be able to register at your polling place on Election Day if you bring approved identification with you.

### 9. How can I find out what's on the ballot?

Visit the Secretary of State's website at [myballotmn.sos.state.mn.us](http://myballotmn.sos.state.mn.us) to find out what is on your ballot.

# VOTE

**10. Where can I find more information on elections?**

Ramsey County Elections  
[www.ramseycounty.us/residents/elections-voting](http://www.ramseycounty.us/residents/elections-voting)

Minnesota Secretary of State  
[www.sos.state.mn.us](http://www.sos.state.mn.us)

Shoreview Elections  
[www.shoreviewmn.gov/vote](http://www.shoreviewmn.gov/vote)

**Election Day Voting Tips**

- If you are concerned about standing in long lines, vote during non-peak hours. Peak hours are generally 7:00 – 9:00 A.M. and 4:00 – 8:00 P.M.
- Look for reserved parking sites at all polling places.
- All polling places are accessible for persons with disabilities. If necessary, election judges can bring a ballot to your car.

**Shoreview Voting Precincts**

★ Polling Locations

- Precinct 1. Emmet Williams Elementary School  
955 County Road D W
- Precinct 2. Shepherd of the Hills Lutheran Church  
3920 Victoria Street N
- Precinct 3. Shoreview City Hall  
4600 Victoria Street N
- Precinct 4. Shoreview Community Center  
4850 Victoria Street N
- Precinct 5. Incarnation Lutheran Church  
4880 Hodgson Road
- Precinct 6. Lake Johanna Fire Dept.  
5545 Lexington Ave.

**No Plastic Bags in Curbside Recycling**

Many of us have lots of plastic bags at home and want to recycle them. But did you know that they are not accepted with curbside recycling? Plastic bags get caught in the sorting machines at recycling processing facilities and can cause all sorts of sorting problems. Eureka Recycling, the City’s contractor, will not collect from your household if your recycling is placed in plastic bags or if you have plastic bags mixed in with your other recyclables.

Did you know there is a place you CAN recycle all those plastic bags? Bring them to a drop-off location! Find a location close to you at [PlasticFilmRecycling.org](http://PlasticFilmRecycling.org).

## Preparing your Property for Winter

It's that time of the year – crisp autumn air and falling leaves. It's a beautiful time of year, but it also means fall chores need to be done to prepare for winter. Here are a few things that you should put on your list to do before it gets too cold.

- Clean the gutters
- Repair roof leaks and remove tree branches that could get weighed down with ice or snow and fall on your house or your neighbor's
- Direct drainage away from your house
- Drain your lawn-irrigation system
- Call a chimney sweep
- Prepare to stow your mower
- Don't prune trees or shrubs until late-winter
- Tune up your heating system to avoid waiting in line for repairs on a cold day.
- Reverse your ceiling Fans in a clockwise direction.
- Caulk and weather-strip doors and windows
- Store hoses and turn off outdoor water
- Test your sump pump

## Recreational Vehicle and Boat/Trailer Parking and Storage

Throughout the year, we get calls from residents wondering about trailers, boats, campers and such parked on city streets or in driveways.

- The code requires that all vehicles be licensed, operable and fully parked on an approved parking surface, not half on, half off nor parked on the grass.
- Unlicensed or inoperable cars must be stored in a garage.
- Recreational vehicles, boats, ATV's, snowmobiles, special purpose trailers or other vehicles designed or used for off-road purposes may be parked or stored in a garage or lawfully erected building, or may be parked or stored outdoors as follows:
  - No more than two such vehicles, only one of which is a recreational vehicle, shall be parked or stored outdoors on each lot.
  - Any vehicle parked or stored outdoors shall be owned or leased by the occupant of the premises where parked or stored.
  - Any such vehicle shall not be parked or stored within five feet of a side yard lot line, or within ten feet of a rear yard property line. Vehicles may be parked within the required front setback provided vehicles are parked on an approved asphalt, concrete or similar approved hard surface and shall not be within five feet of the front yard property line.
  - Recreational vehicles shall not be used as temporary or permanent living quarters.
- City Code prohibits parking your vehicles on the grass or other non-approved hard surface next to the garage or in the backyard.

Maintaining your property helps strengthen Shoreview's reputation for livability and quality of life. It strengthens property values and encourages reinvestment in our community. Log on to [www.shoreviewmn.gov](http://www.shoreviewmn.gov) and look under the Community Development page or call Code Enforcement at 651-490-4687 if you have questions about code violations on residential properties.

## Looking to save energy and reduce costs?

The Center for Energy and Environment (CEE) is a nonprofit organization that has been promoting energy efficiency for nearly 40 years. CEE's programs often partner with utility providers to help Minnesotans save money and energy. CEE's Lending Center helps homeowners and businesses complete energy efficiency projects.

Here are some popular CEE programs for Shoreview homeowners:

### Energy Fit Homes

This certification is designed for existing residential properties to recognize homes that meet energy efficiency standards.

### Home Energy Squad

The program is available to homeowners who are either a CenterPoint Energy natural gas customer, an Xcel Energy electric customer, or who receive both natural gas and electric services from Xcel Energy.

### Energy Advisor Service

The energy advisor service connects homeowners to the right resources and quality contractors to resolve home energy concerns and achieve home energy goals. This service can provide solutions for high energy bills, ice dams, or cold spots and answer questions about financing, rebates, or hiring qualified contractors.

### Residential Loan Programs

CEE also offers low-interest secured and unsecured financing for virtually any home improvement project including energy efficiency specific projects, solar, and geothermal.

**For more information, contact  
Center for Energy and Environment  
612-244-2425 • [www.mncee.org](http://www.mncee.org)**

**651-292-8710**

## Shoreview's 2018 Green Community Award Winners

Shoreview families, businesses and schools are proving that it's easy being green. The changes they've made have saved them money and made their spaces more livable. The winners of this year's Shoreview Green Community Awards installed rain gardens and solar panels and added organics recycling. Efforts that took a little time and effort to get started, but that have more than paid for themselves in the long run.

*Bill and Carol Zerfas*

### **Bill and Carol Zerfas • Amble Court**

Many rain gardens are in sunny spots filled with sun-loving plants. What makes the Zerfas' rain garden so special is that it is in a shaded spot where water didn't used to soak in. Instead it either made a muddy mess or ran off and over an adjacent path. Now the Zerfas have a lovely space to spend the evening and lovely plants to enjoy.

*Wing Lai and Wai Wong-Lai*

### **Wing Lai and Wai Wong-Lai • Tiffany Lane**

Rain, rain wouldn't go away. Rain water pooled in their backyard. That is until they put in a rain garden. Now the water infiltrates down into the ground. It's such a lovely spot they added an adjacent seating area so they can enjoy the flowers, butterflies and birds that visit.

*Hummingbird Floral*

### **Hummingbird Floral • Rice Street**

The florist shop is our first winner in the Efficient Use of Resources category. As you might imagine a florist generates a lot of green waste. Originally they only recycled cardboard, but since they moved into the new location they added single-stream service to capture all their bottles, cans and paper products too. They also added organics recycling service. Now instead of having a large dumpster emptied twice a week, they only have three garbage carts emptied once a week. By recycling more, the business is saving money.

### **Mounds View Public Schools**

The Mounds View School District has expanded its solar panel installations to include Island Lake and Turtle Lake Elementary Schools and the Snail Lake Education Center. So far the arrays have generated more than 136 kwh. The District estimates the panels will save them around a million dollars over 30 years.

### **Shepherd of the Hills Lutheran Church • Victoria Street**

The judges agreed this was the most comprehensive green program they have seen. It starts when you see the large rain gardens that infiltrate rain water that used to cause severe erosion. Inside the church there's even more. They have replaced most of the lighting with LED bulbs saving a substantial amount of money. The church also has a commercial kitchen that they share with other organizations. They added organics recycling and diverted a substantial amount of compostable material that used to go in the trash.

*Shepherd of the Hills Lutheran Church*

There are many incentive and cost-sharing programs available to help pay for all or a portion of these types of projects. Check with your watershed district or [BizRecycling.com](http://BizRecycling.com) for more information. Solar installations are eligible for federal and state tax credits as well as incentives from Xcel Energy

In addition to bragging rights, Green Community Award winners receive a small lawn stake they can proudly display, and they will be recognized at a City Council meeting.

## Every Lawn is a Lakeshore

You may not realize that runoff from your property eventually ends up in our lakes and ponds. That's why it's important to take care of your yard in a way that minimizes that impact. Here are some quick tips for fall lawn care:

### Leaves

Rake them up and compost them in your back yard or at the free Ramsey County Yard Waste site. Sweep leaves (and grass clippings) out of the curb and prevent them from going into the stormwater system. Decomposing leaves add nutrients to lakes and storm water ponds, which can foul the water and cause ugly and smelly algae blooms next year.

### Overseed

Fall is the best time to overseed your lawn because grass prefers the cooler weather when it wants to grow. Thicker grass crowds out weeds naturally. Just be sure to do it early enough to give the lawn time to establish itself before winter weather hits.

### Aerate

Aerating relieves compaction, prunes grass roots and allows water and nutrients to find their way into the root zone of the turf.

### Dethatch

Thatch is the layer of fibrous material and organic debris that can accumulate on the depths of your lawn. It prevents water from reaching the soil, encourages diseases, and stops grass from thickening.

### Topdressing

Sprinkle a thin layer of compost on your lawn. This improves your soil quality. Good soil structure encourages worm activity that, in turn, improves drainage. Worms also help take surface debris down into the soil – so it's like getting free fertilizer.

## Yard Waste Collection Sites

As a Ramsey County resident, you can take advantage of free yard waste collection sites through November 30. They accept trees and shrubs, as well as leaves, grass clippings and other soft and woody plants at locations in Arden Hills/New Brighton (3530 Hudson Avenue, Arden Hills) and Shoreview/White Bear Township (5900 Sherwood Road, White Bear Township). Sod and dirt are only accepted at the White Bear Township site. Both sites also accept organics recycling materials.

Collection hours until November 30 (weather permitting) are:

**Monday, Wednesday and Friday** – 11:00 A.M. to 7:00 P.M.

**Saturday** – 9:00 A.M. to 5:00 P.M.

**Sunday** – 11:00 A.M. to 5:00 P.M.

**Tuesday and Thursday** – Closed

For more information, call 651.633.EASY (3279), answered 24/7 or visit Ramsey County's Yard Waste Collection Sites web page at [www.co.ramsey.mn.us](http://www.co.ramsey.mn.us) – from the **Health & Environment** link, go to **Home & Yard**, and see the **Brush & Yard Waste** section for **Yard Waste Collection Sites**.

## Night to Unite 2018

Shoreview residents gathered for annual Night to Unite (National Night Out) events on Tuesday, Aug. 7, 2018.

Over 75 registered parties and events were held around the City in beautiful weather as residents worked together to make Shoreview a great place to live.

Neighbors spent the evening chatting, eating and playing. They also welcomed visitors from the Ramsey County Sheriff's Office and Lake Johanna Fire Department, as well as local elected officials.

The Ramsey County Sheriff's Office, in collaboration with the Minnesota Crime Prevention Association and AAA of Minnesota / Iowa, once again sponsored Night to Unite to build and foster community bonds between citizens, businesses and public safety organizations.

### South of the Border

September 14 – November 9

Shoreview Branch – Ramsey County Library

Don't miss the fall art exhibition for Gallery 96! All members of Gallery 96 were invited to enter up to 3 pieces of art in this juried show. This year's theme is "South of the Border" and will kick off with an opening reception on Friday, September 14, from 6:00 – 8:00 P.M. The show will continue through November 9th. The Shoreview Library is located at 4560 Victoria Street N, near the Shoreview Community Center.

### Art Discussion

Join other artists on the second Tuesday of the month for discussions about art, theirs and yours! Art Discussion meets from 7:00 – 9:00 P.M. at the Shoreview Community Center. Gallery 96 members and friends are invited to bring in one or two recent works of art and to share encouraging feedback. Works in progress are welcome.

### Raku Pottery Firing

Don't miss the next Raku pottery firing! This popular favorite returns to the Shoreview Farmers Market on September 18th!

## Create your Legacy. Build the Foundation.

### 2018 Grant Recipients

The Shoreview Community Foundation provides funds to nonprofit organizations that help serve our community. The Foundation's grant focus areas include recreational places (parks, open space, wetlands, woodlands), community enhancements and leadership development, human services, arts and cultural activities, and historical preservation.

2018 grant recipients were recognized at a Concert in the Commons this past June:

**Shoreview Historical Society & City of Shoreview** was granted \$5000 to fund a history intern to create a strategic interpretive plan for Heritage Park and the Lepak/Larson House.

**Ralph Reeder Food Shelf** was granted \$5000 to fund furniture & food storage units/supplies for new MV location.

**Pinewood Elementary School** was granted \$2500 to fund the Heart of Dance program which allows 120 student to access high quality, social-emotional learning through dance instruction-matching funds.

**Northeast Youth & Family Services** was granted \$5000 to fund Client Hospitality Space – spatial improvements to the Trauma-Informed Care waiting room.

**Midwest Special Services** was granted \$3500 to empower individuals with disabilities, improve outdoor space, and invite members of the community to join MSS in 3 beekeeping workshops.

**Mounds View Orchestral Association** was granted \$1795 to support the Rock Orchestra Concert & provide instrument tuners.

## NYFS Taste of Northeast is Oct. 11

Join Northeast Youth & Family Services for the Taste of Northeast on Oct. 11 from 5:30 P.M. to 8:30 P.M. at Vadnais Heights Commons, 655 East County Road F, in Vadnais Heights.

Enjoy a fantastic selection of savory and sweet treats from over 20 local restaurants, live music, a silent auction and a wine raffle. Over 200 community members participate in the event and proceeds from this celebration will support the youth, adults and families served by NYFS.

The cost is \$30 in advance and \$40 at the door. For more information, please call 651.486.3808 or visit NYFS on the web at [www.nyfs.org](http://www.nyfs.org).

[RamseyRecycles.com](http://RamseyRecycles.com) • 651.633.EASY

**Cleanup Day is a residential waste collection event.  
Open to Shoreview and Arden Hills residents only.**

**Must bring proof of residency, such as a driver's license or utility bill.**

## NEW! HEALTHY HANDS KIDS COOKING CLASSES

These new classes empower children with nutrition and cooking skills that foster healthy lifestyles through a fun and intimate learning experience. Students will learn to chop, cut, blend, mix, whip, measure, and mince using age appropriate hands-on activities. Each class consists of games, nutritional education, and make-it yourself recipes that the students get to enjoy in class. Classes are offered for children ages 5 through 12 and are taught by Certified Instructor Choua Vue.

Classes begin mid-September and are offered both morning and evenings, as well as weekdays and weekends. Visit our website for full schedule.
