Applicant must attach 1 site plan and 2 sets of building plans for all applications requiring plan review. There is a 2-week turnaround for all plan reviewing. Minimum 24-hour notice required for all inspections. Separate permits are required for electrical, plumbing, heating, ventilation, or air conditioning. This permit becomes null and void if work or construction authorized is not commenced within 120 days, or if construction or work is suspended or abandoned for a period of 120 days at any time after work is commenced.

By signing this application, you hereby certify that you have read and examined this application and know the same to be true and correct. All provision of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. Applicant takes full responsibility for all work performed. Applicant is responsible for all plan check fees if permit is cancelled or withdrawn.
