CITY MANAGER RETIRING

After 28 years as city manager, Terry Schwerm, will be retiring at the end of the year. Terry has been instrumental in developing Shoreview into the outstanding, vibrant community it is today. Some key accomplishments from his career in Shoreview include:

- Maintaining a AAA bond rating
- Maintaining the city's high quality of life
- Expanding the community center twice
- Creating a destination playground at Shoreview Commons
- Developing a comprehensive trail system

In 2016, Terry was recognized for his leadership and dedication with the James F. Miller Leadership Award. This is the League of Minnesota Cities highest award for appointed officials.

The city has enlisted the Mercer Group, an executive search firm, to help hire a new city manager. We hope to have the new city manager start in January 2022. More information on the process is available online at shoreviewmn.gov.

CITY BANS MENTHOL, MINT, AND WINTERGREEN FLAVORED TOBACCO

In May, the city council took action to make Shoreview a healthier community. It added menthol, mint, and wintergreen to the list of flavors tobacco retailers cannot sell. Shoreview has been a leader in tobacco control since the 1990's. It was one of the first cities in the nation to prohibit tobacco vending machines. In 2016, it was one of three Minnesota cities to limit the sale of fruit and candy flavors to tobacco shops.

The city took this action after learning how tobacco use contributes to health disparities across Minnesota. Tobacco companies use these flavors to entice new users. They also have a history of targeting youth, LGBTQ, African Americans, and others with menthol marketing. These communities use menthol at a higher rate than the general population.

The ban will begin September 1, 2021.

CITIZEN OF THE YEAR AND CARING YOUTH AWARDS

The city is currently accepting nominations for the 2021 Citizen of the Year and Caring Youth Awards.

Citizen of the Year

This annual award was created by the city council to present a special honor to a citizen who exemplifies the spirit of giving back to the community. The council's goals for this award are:

- Recognize the volunteer efforts of deserving citizens
- Inspire others to continue the tradition of Shoreview citizens volunteering.

Caring Youth

This award was created by the human rights commission to honor our outstanding youth volunteers. Nominees help make Shoreview a community where all people are welcomed, valued, and respected.

If you know someone who deserves either of these awards, submit an application at shoreviewmn.gov. Nominations for the Caring Youth Award are due September 17 and nominations for the Citizen of the Year award are due October 8.

SHOREVIEW PARK SYSTEM PLAN UPDATE

Shoreview Parks and Recreation is working on an update to the park system plan. This update includes reviewing all the amenities throughout the park system, including playgrounds and athletic fields, and creating a plan for future use. It's important to review parks and recreation trends, along with our changing demographics, to make sure our park system is serving our residents in the best possible way.

The city has partnered with LHB Corp, a firm specializing in landscape architecture and planning. LHB has experience working with communities in developing park system plans.

The development process began earlier this year with an inventory of current park features. Key community groups and city staff provided feedback on the inventory, and sketches of the parks with updated amenities were created. These sketches will be made available to the community for feedback at neighborhood meetings in all the parks and online.

Once the public feedback has been compiled the park plans will be updated and reviewed by the parks and recreation commission and city council.

Watch our website and social media for opportunities to express your thoughts on our parks.

BOAT & TRAILER PARKING

Wondering where to park or store your boat, camper, ATV, snowmobile, or trailer? We have the answers below!

Can I store my boat/ATV/snowmobile/camper in the garage?

Yes!

Can I store my boat/ATV/snowmobile/camper in a shed?

Yes!

Can I store my boat/ATV/snowmobile/camper in my yard?

Yes – with the following conditions:

- No more than two vehicles are stored outside.
- Only one of the stored vehicles can be an RV including: campers, trailers, tent trailers, travel trailers or motorhomes.

Examples: a camper and a boat; a boat and an ATV; an ATV and a motorhome.

- Vehicles are at least 5 feet away from the side or front property line, and 10 feet away from the back property line.

Can I store them on my grass?

Yes, in the back and side yards. In the front yard any stored vehicle needs to be stored on an approved surface – like concrete.

Can I store them on the street?

No. Overnight parking is not permitted from 2 – 5 am on all Shoreview streets for any vehicle.

Questions? Visit shoreviewmn.gov or call 651-490-4669.

SHOREVIEW DOWN PAYMENT ASSISTANCE PROGRAM FOR NEW HOME BUYERS

New home buyers in Shoreview can qualify for up to \$25,000 in down payment assistance. Low interest loans are available for homes under \$350,000.

For buyers with incomes below 120% of the Area Median Income, you can get up to \$25,000, with low interest, paid back in monthly payments.

For buyers whose incomes are at or below 80% of the Area Median Income, up to \$10,000 is available in a due-on-sale loan with 0% interest and no payments, paid back when the home is sold, transferred, or no longer owner-occupied. Additional funds, up to a combined total of \$25,000 may be used.

- Applies to single-family homes, townhomes, duplexes, and condominiums within Shoreview city limits.
- Property must be owner-occupied as a primary residence.
- Purchase price may not exceed \$350,000.
- Buyers must attend homebuyer education.
- Buyer may not have owned a home within 3 years.
- \$25 application fee
- There must be a minimum contribution of 3% of the purchase price paid by or on behalf of the borrower.

Home improvement loans up to \$40,000 and loans for manufactured homes are also available through Shoreview's partnership with NeighborWorks Home Partners. Full details for all three loan programs can be found online at nwhomepartners.org/city-of-shoreview-homeownership-programs

HELP KEEP SHOREVIEW'S PONDS, LAKES, AND STREAMS CLEAN THIS FALL!

By sweeping up leaves, salt, and other debris from your local storm drains, you stop that material from getting into the city's water bodies. Visit

adopt-a-drain.org for more information and to adopt a storm drain today.

DID YOU KNOW? WHAT NOT TO FLUSH.

Did you know – flushable wipes aren't really flushable? Wipes and similar products don't break down the way toilet paper does and can clog pipes, put stress on community watershed collection and treatment equipment and cost cities thousands on

equipment repair and replacement. They can even damage wastewater treatment plant pumps.

You can help prevent expensive blockages at your home, and further down the line, by never placing the following items into the toilet, even if they have a "flushable" label.

- Baby wipes
- Flushable wipes
- Diapers
- Flushable toilet brushes or pads
- Cleaning pads and cloths
- Puppy training pads
- Wet mopping cloths

If your sewer backs up call Shoreview Public Works at 651-490-4650.

KEEP AN EYE OUT FOR THESE INVASIVE SPECIES

BUCKTHORN

- Grows in all areas
- Gets leaves early in spring and keeps them late into fall
- Grows and spreads quickly
- Control by cutting plants to the ground and treating stumps with herbicide

GARLIC MUSTARD

- First year plant: low to the ground, round leaves, no flowers
- Full grown plant: 1-4 feet tall, white flowers, heart or spade shaped leaves
- Grows in wooded areas and recently disturbed areas, spreads quickly
- Control by hand pulling plants, bagging, and removing them from the area

GIANT OR JAPANESE KNOTWEED

- Large shrub-like plant that spreads using long horizontal roots
- Grows like bamboo with stalks up to 10 feet tall and over an inch in diameter
- Dies back each winter and emerges early in the spring, white flowers visible in fall
- If you think you see this plant please call Ramsey County Cooperative Weed Management at 651-266-0300

PURPLE LOOSESTRIFE

- Perennial that emerges in the spring and grows to be 3-9 feet tall on multiple stalks with distinct purple flowers in summer
- Leaves grow opposite each other on the stalk and at 90 degree angles from the leaf pair below
- Grows in wetland areas, spreads quickly, and can alter the function of the ecosystem
- Control by hand pulling when conditions allow. Must remove the entire root of the plant, bag, and remove from the area

JUMPING WORMS

- Large Asian earthworm with a distinct, jumpy, movement pattern and light-colored band when mature in fall
- Eats wood mulch and plant roots causing damage to residential yards and gardens
- Check all mulch, soil, and plants coming into your yard each year for jumping worms
- If you believe you have jumping worms on your property, please contact the MN DNR at 651-259-5090

LOOKING TO SAVE ENERGY AND REDUCE COSTS?

The Center for Energy and Environment (CEE) is a nonprofit organization that has been promoting energy efficiency for nearly 40 years through a variety of programs. CEE’s programs often partner with utility providers to help Minnesotans save money and energy. CEE’s Lending Center assists homeowners and businesses complete energy efficiency projects.

Whether you are looking to improve your existing home or building a brand new one, CEE can help you make it energy efficient. CEE works with utilities around the state to implement innovative, cost effective residential energy efficiency programs. Some of their services include:

Energy Audit - An energy audit is your road map to an efficient and comfortable home. The visits can be virtual or in-home visit/ consultations are also available. Program highlights include:

Instant Energy Savings – staff will install materials at the visit so you save energy and money right away.

Equipment Inspection – CEE staff will inspect your insulation, heating and cooling systems, and water heater.

Support on Next Steps – Energy Advisors connect you to vetted contractors, specialized financing, and rebates.

Free support and Guidance - Energy improvements can be intimidating, CEE is here to walk you through everything. Your energy advisor will connect you to the best resources, answer questions, resolve issues and help you achieve your goals. This service can provide solutions for high energy bills, ice dams, or cold spots and answer questions about financing, rebates, or hiring qualified contractors.

Residential Loan Programs - CEE also offers low-interest secured and unsecured financing for virtually any home improvement project including energy efficiency specific projects, solar, and geothermal.

FRIENDSHIP GARDEN SUPPORTS COMMUNITY GRANTS

The Shoreview Community Foundation thanks all who supported the friendship garden project by buying commemorative brick pavers and bench sponsorships. Proceeds from these donations will be channeled back into the community through grants focusing on arts and cultural organizations, recreational places, educational initiative and leadership development, historical preservation, and human services.

A signature project in partnership with the City of Shoreview, the friendship garden represents our community spirit as welcoming and friendly to all. The centerpiece is a bronze sculpture depicting happy children at play. Set among flowers and plants, the joyful art is encircled by a path of commemorative pavers and benches for peaceful reflection.

Fulfilling its mission to “maintain, enhance and enrich the quality of life in Shoreview by connecting the generosity of people with evolving community needs” Shoreview Community Foundation announces its 2021 grants. The recipients reflect a variety of partnerships and responses to community needs:

Ramsey County Library & Shoreview Bikeways & Trails Commission will partner to provide four bike repair stations throughout Shoreview as well as pertinent videos and safety clinics.

Shoreview Historical Society will update, print and distribute a historical booklet with self-guided tour.

Midwest Special Services will continue their adaptive beekeeping program, offer classes and partner with local groups.

Mounds View Schools will offer **EmpowerU**, a personalized, social-emotional learning program to high school students.

Northeast Youth and Family Services will purchase laptop computers to support their mental health programs.

The City of Shoreview partnered with the SCF on the friendship garden project to enhance the Shoreview Commons. The SCF supported this project with a grant and the fundraiser which gave community members the opportunity to purchase engraved pavers and benches.

These and future grants are possible because of generous contributions from the community. As the endowment continues to grow, additional funds become available to award grants. For information on how to contribute to SCF or apply for a 2022 grant, please visit shoreviewcommunityfoundation.org

GALLERY 96

Gallery 96 is alive and well despite the pandemic. Typical in-person exhibitions at the Shoreview Community Center and the Shoreview branch of the Ramsey County Library had to be reimagined over the last year. The organization had to pivot and began offering monthly virtual art exhibitions online. The exhibitions were judged, and cash prizes were awarded. Hopefully, Gallery 96 will be able to resume live exhibitions this fall at the library when the community room reopens to the public. They are also resuming their exhibits in the community center glass cases.

Gallery 96 also hosted a month-long show at Taste of Scandinavia Bakery in North Oaks in July and had a booth at the Slice of Shoreview with a community art project. Informal monthly art discussion sessions held at the Shoreview Community Center give members an opportunity to share their work and receive friendly feedback. These sessions will hopefully resume soon.

Gallery 96 Art Center was conceived in 1997 when a small group of Shoreview residents, interested in the visual arts, began discussing the need for an area art center where emerging and maturing artists could meet other artists, enter juried competition, and find a place to show their work. The organizing group believed that education in the visual arts was needed to supplement offerings in secondary schools and to heighten awareness of the rich heritage of museums and galleries in the Twin Cities.

Annual membership fees are modest and whether you are an artist looking for places to show your art or a supporter of these artists, Gallery 96 invites your support. Become a member today by visiting gallery96.org and completing the online membership form.

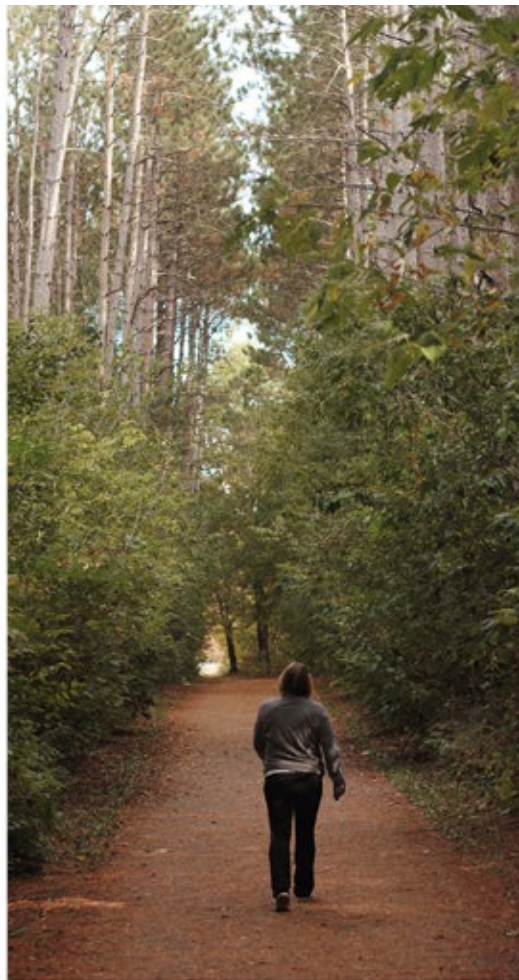

NYFS SEEKS VOLUNTEERS FOR SENIOR CHORE PROGRAM

Northeast Youth & Family Services is looking for volunteers age 16 and older who are interested in helping local seniors live at home, with dignity, for as long as possible.

Volunteers are needed for seasonal outdoor chore help including lawn mowing, gardening, weeding and garage cleaning. All work will be performed in accordance with Covid-safety guidelines. For more information, please contact Madelyn Murray at madelyn@nyfs.org or 651-308-3490.

Group Fitness

60/40

The first 60% of the class is cardio – either high/low impact cardio, step, kickboxing, or dance followed by the remaining 40% of class time to execute effective resistance exercises.

BARRE PRINCIPLE

In each energizing and targeted workout, you'll use the barre and exercise equipment such as mini-balls and small hand weights to sculpt, slim, and stretch your entire body.

CARDIO KICKBOXING

A dynamic and energetic class that combines kicks, punches, and blocks. This athletic-based class is easy to follow and provides a challenging workout.

CYCLE RAVE

We pedal to the music and that's it! Experience a fun, crazy party on your bike! You will be amazed at the workout you get.

CYCLE TRAINING

Ideal tool to compliment the outdoor cyclist. Doing hills, sprints, flat roads while using time, speed, and distance drills, this workout will help increase your overall performance in speed, power, and endurance.

THE RESISTANCE WORKOUT

Incorporates strength training exercises using various pieces of equipment and/or your own body weight. Class focuses on all major muscle groups with some added attention to form. Progressions can include compound exercises and functional balance exercises.

STEP CARDIO

Warm up with basic step moves and then learn fun choreographed patterns, combinations, and movements on an adjustable step.

DANCE JAM

Dance your heart out while getting an amazing workout

FUNDAMENTAL COMBO

Low impact cardio followed by basic strength training.

H.I.I.T. (HIGH INTENSITY INTERVAL TRAINING)

Intervals of extreme cardio and/ or resistance followed by a short recovery.

KETTLEBELL TRAINING

- Conditioning drills with kettlebells provides a total body workout.
- Power strength
- Weightlifting with barbells and dumbbells.
- Focused on building muscle mass and strength.
- Focus on technique – heavier weight, lower reps, multiple sets.

THE GROOVE

In this choreographed class you will learn one awesome dance routine. You will be amazed at the great workout while you get your "groove" on!

TOTAL BODY WORKOUT

Incorporates exercises designed to enhance your agility, speed, power, strength, and quickness. Equipment used may include weights, TRX (suspension training), kettlebells, bands, benches, and BOSU® balls. The class will also elevate your heart rate as you are challenged with drills in either circuits and/ or a stand-alone station.

POWER PUMP

- Weight training with free weights and dumbbells.
- Build lean muscle with different tempos for reps, higher reps, and supersets.

ZUMBA®

Grooving to the beats of salsa, reggaeton, cumbia, hip hop and merengue, this class feels more like a dance party than a workout, which is exactly what makes Zumba® so popular! The Latin-inspired dance workout is one of the most popular group exercise classes around.

MIND/BODY CLASSES

STRETCH AND BALANCE

A beneficial blend of balance exercises and static (holding) and dynamic (moving) stretches.

YIN/RESTORATIVE YOGA

This grounding practice will have fewer postures which you hold for longer periods of time, allowing you to focus on breathing into the connective tissue (fascia) that surrounds the joints in the body.

YOGA BASICS

This class is based on physical postures, deep breathing, mindfulness, and listening to the body. A slower paced class that focuses on fundamental postures. Great class for beginners or for one seeking a modified (gentle) yoga class option.

HOT YOGA

Intense practice that will move you through powerful and aggressive postures and/or series. This practice is meant to detoxify the body, build strength, and burn calories through movement, breath, and heat. Designed for intermediate to advanced levels.

Class temp range is 80-90 degrees.

FITNESS PILATES

Focus on balancing all muscle groups, strength, and flexibility, with an emphasis on challenging the core muscles with each movement.

POWER YOGA

Students will focus on linking conscious breath with a vigorous and mindful flow. Participants will build strength, flexibility, and concentration while cleansing the body and calming the mind.

YOGA/PILATES FUSION

The perfect combination of Pilates and yoga! Receive the benefits of core training, muscle contraction and lengthening, isometric holds, balance postures, and mind/body awareness.

YOGA SCULPT

Fusion of vinyasa yoga and strength endurance training. This unique and intense workout incorporates hand weights and is designed to tone and shape your body. Build stamina through a series of squats, lunges, crunches, plank holds, cardio work, balancing postures, and stretching.

Water Fitness

WATER FITNESS CLASSES

All water classes are held in the pool.

- The pool is between 3 1/2 and 4 1/2 feet deep
- All fitness levels are welcome
- The pool temperature is between 83 - 84 degrees

Swim Lessons

SHOREVIEW PARKS & RECREATION SWIM LESSONS

We use a fun and imaginative approach to help students create a lifelong love of swimming. Students will learn new skills and build on previously learned skills through group or private instruction. Our instructors participate in ongoing training sessions and are selected based on their desire to teach, enthusiasm, and swimming ability. Parent - instructor communication is vital to the success of each swimmer. Our mission is to provide an inclusive program for all.

A NOTE ABOUT SWIM LESSONS

- Swim lessons are not canceled if Mounds View School District cancels after school activities due to weather.
- We do not provide make-up lessons.
- Group classes with fewer than three registered participants will be canceled.
- Students cannot swim before or after lessons.
- Students should use the bathroom and shower before entering the pool area. Staff aren't allowed to take students to the bathroom.
- If your child needs a quieter environment to learn look at our Tuesday, Thursday, Saturday, and Sunday lessons.
- Children ages 4 and under may use any locker room. Children ages 5 and older must use the same sex locker room or family locker room.
- The pool water temperature is kept between 83 and 84 degrees.
- First day instructions will be emailed to participants before the class start date

FREE SWIM LESSON CHECKS

Not sure of what level to register your child for?

RECREATIONAL ICE SKATING INSTRUCTION

GROUP LESSONS

Get an edge on winter by enrolling in ice skating lessons early.

PRE-SNOWPLOW

Ages 4 - 8

With a mix of fun games and drills, this class will help participants gain the strength and confidence to stand on their own while introducing preliminary skating moves and techniques.

SNOWPLOW SAM

Ages 4 - 10

Participants will learn to skate in a safe and fun environment. This class introduces preliminary moves that will help develop the familiarity, coordination and strength needed to maneuver on skates.

LEVELS 1 - 3

Ages 6+

Our leveled classes encourage participants to trade in hesitation for excitement as their confidence grows with each stride. Participants will focus on skills that build their agility, balance, coordination and speed.

HELPFUL TIPS FOR SKATERS: Lace skates more snugly in the middle of the shoe than at the top or bottom for best support. Skates should fit correctly – don't use skates that are too big. Keep the blades sharp. Wear one pair of light weight wool or synthetic socks. Cotton socks are not suitable for skating. If a child does not meet the basic requirements of the level registered for, the instructor will adjust the child's level.

HELMETS AND SKATES: For safety, all participants are required to wear helmets. Bike helmets are acceptable. Helmets and skate rental are NOT available at the rink.
