

## **CITY OF SHOREVIEW**

### **PUBLIC NOTICE**

The Telefarm, Inc. operates two Broadcast towers located at, 960 County Road F, Shoreview, MN 55126. Telefarm is planning on performing an FAA obstruction lighting upgrade project to both towers. This work will entail replacement of the existing nighttime only lighting system and replacement with a dual lighting system that will have white LED strobe lights for daytime tower marking and red flashing led beacons for nighttime marking (same type of nighttime lighting as being used today).

Pursuant to the conditional use permit and operating agreement between Telefarm and the City of Shoreview executed in 1987, the City shall provide public notice and an opportunity for public comment on the proposed tower lighting upgrade. Written comments may be submitted to Tom Simonson, Assistant City Manager and Community Development Director, via email at [tsimonson@shoreviewmn.gov](mailto:tsimonson@shoreviewmn.gov) or mailed to the address below.

The Shoreview City Council will be considering the Telefarm proposal at their meeting on Monday, November 7, 2022 at 7:00 p.m. at Shoreview City Hall, 4600 Victoria Street North, Shoreview, Minnesota 55126.
