CITY RECEIVES HIGH MARKS IN SURVEY

The City of Shoreview is continuing its mission to create a high quality of life by providing exceptional services and amenities. The 2022 community survey, conducted by Polco, showed that 95% of residents rated the quality of life as either excellent or good. This places Shoreview as the top city in 20 of its local peer cities that Polco has surveyed.

Shoreview's quality of life rating has been consistently very high since the 1980's. Shoreview also outperformed the national and local benchmarks in the below areas (% excellent or good):

- Shoreview as a place to live - 98%
- Quality of parks and recreation opportunities - 96%
- Water resources - 94%
- Feeling of safety - 93%
- Customer service by employees - 92%
- Confidence in Shoreview government - 80%

This is the first time the city has used Polco for its community survey. They have worked with more than 350 jurisdictions nationwide and over 30 in Minnesota.

The community survey was mailed out to 2,800 random households. The selected households were able to complete the survey either online or via mail. The city received 727 responses (26% response rate). The city also opened the survey to all residents for two weeks and received 139 responses from that.

SHOREVIEW JOINS JUST DEEDS

Last fall, Shoreview joined the Just Deeds Coalition. The Coalition helps property owners remove discriminatory covenants from deeds free of charge.

Discriminatory covenants were a popular tool in the early 1900's to limit who could buy, lease, or occupy houses. An example of one is:

"The grantee cannot sell or rent said real estate or any part thereof to any person not belonging to the Caucasian Race."

Minnesota prohibited new covenants in 1953, but existing ones were still legal until 1962. In 2019, the Minnesota Legislature passed a law allowing property owners to remove these covenants.

Though legally unenforceable, discriminatory covenants remain on thousands of Minnesota property titles. In 2016, Mapping Prejudice was created to identify and map these covenants. They have found around 100 deeds in Shoreview with discriminatory covenants.

By joining the Coalition, the city is able to help residents research their deeds and remove discriminatory covenants. To learn more and see if your property has a covenant, visit shoreviewmn.gov/justdeeds.

2022 SHOREVIEW CITIZEN OF THE YEAR: BOB WEYANDT

Bob Weyandt was honored by the city council with the 2022 Shoreview Citizen of the Year Award in November 2022.

Bob has been giving back to Shoreview for almost 50 years! Elected to the city council in 1973 and serving until 1989, Bob was involved with many significant decisions and initiatives that we still benefit from today. From the purchase of the land that became Shoreview Commons to shepherding major housing and population growth, his steady leadership was instrumental in a critical period of our history and set a positive course that we still follow today.

In addition to the city council, Bob has volunteered with many other organizations including the Shoreview Jaycees, Ramsey County League of Local Government, and Applewood Pointe.

When asked if he has any advice for someone looking to start volunteering, Bob said that he was inspired early on by John F. Kennedy when he said “Ask not what your country can do for you, but what you can do for your country.” He believes that we all belong to this community and that participation, not volunteering, is absolutely necessary. If we don’t participate, we fail.

GREEN COMMUNITY AWARDS

Did you install solar panels, plant a native garden, or do another environmentally friendly project this year? Then, apply for a green community award. Each year, the Shoreview Environmental Quality Committee recognizes residents and businesses that have had a positive impact on our environment. The green community awards are given to those who improve water quality, install renewable energy, or use eco-friendly practices. Winners receive a small lawn stake and are recognized at a city council meeting.

Applications are available at shoreviewmn.gov and due by July 7. Questions? 651-490-4665.

SPRING WATER SYSTEM FLUSHING

Public works will flush all city water mains beginning the week of **May 1** and will take place for three weeks.

You may notice discolored water for a short time after nearby hydrants have been flushed. Although the water is safe for consumption, you may want to reschedule laundry or other work that may be affected by the discolored water. If the water is discolored, flush out your service pipes by running the laundry tub faucet or the outside faucets.

Please call 651-490-4661 with any questions.

Shoreview Community Foundation

YOUR SUPPORT AT WORK IN THE COMMUNITY

Through the ongoing support of Shoreview citizens, every year SCF is able to award grants that enhance life in our community. An advisory board of Shoreview residents and friends annually selects non-profit organizations that serve the Shoreview community with programs focused in the following areas:

- Recreational places such as parks and trails, as well as places for reflection and relaxation such as open spaces, wetlands and woodlands
- Community enhancement and leadership development
- Human services
- Arts and cultural activities
- Historical preservation

SCF 2022 Grants significantly supported a variety of arts and cultural activities in Shoreview. There are many ways society benefits from the arts. The arts represent a common bond of humanity that does not depend on words or education. The arts can bypass the intellect and impact people on a very deep level. Art helps us to become more socially aware, and to be more connected to the world around us.

Here are some of the important ways the Shoreview Community Foundation impacted the arts in our community through 2022 Grants:

The Shoreview Human Rights Commission, Oak Hill Montessori Community School, and the Ramsey County Library used their grant for A Peace of My Mind, a program that uses portraits and personal stories to bridge divides, encourage dialogue, and celebrate the differences between us all. Gallery 96 held three free Plein Air painting session workshops in the Shoreview parks. Midwest Special Services engaged a teaching artist for class for adults with disabilities. North Suburban Chorus offered performances for residents at five senior living facilities in Shoreview as well as one at the Shoreview Community Center. Sacred Grounds Coffee House offered cow-tipping creative writing workshops for people with developmental disabilities and those from underrepresented communities. Shoreview Northern Lights Variety Band built a professional grade interior tie-down system for the trailer to secure instruments during transport.

Your ongoing support makes wonderful programs like these, and others, possible and will continue to benefit our community and its residents into the future. Thank you!

Taste of Shoreview 2023

BRING ON SPRING!

Minnesotans enjoy the four seasons but, let's face it, by mid-March we are ready for spring. As the weather warms and we start getting out a bit more, we look for events to brighten our long winter days. We have the perfect spring event for you again this year — the Taste of Shoreview on **Thursday, April 20 from 5 – 8 pm** at the Shoreview Community Center. The Taste of Shoreview supports the Slice of Shoreview fireworks and entertainment, so proceeds go to a great community celebration. The usual activities will be there again along with some new ones. You can taste local foods and beverages like craft beers, wines and sodas and pick your favorite food and beverage. You can also take your chances in the live auction, the silent auction, the bucket raffle, the wine wall, and the gift card wall. One notable difference this year is the Shoreview Arden Hills Lions Club is hosting the event in conjunction with the Slice of Shoreview Committee. Watch for more details as the planning continues and save the date for a great date night out!
