Looking to remodel? How about purchasing a home in Shoreview?

We've updated our loan programs!

The City of Shoreview, in association with NeighborWorks Home Partners, offers construction consultation, loans with low-interest rates, and interest-only repayment options to qualified homeowners, including manufactured homeowners, and first-time homebuyers.

CONSTRUCTION CONSULTATION

Are you looking to do a home project but not sure where to begin? The City of Shoreview offers free construction consultation where you can:

- get general project advice
- learn how to get bids for a project
- review of bids from contractors

HOME IMPROVEMENT LOANS

Loan amounts from \$2,000 - \$50,000 are available with fixed below market rates and terms up to 15 years. Eligible improvements may include:

- remodeling
- additions
- repairs
- replacement

The project(s) must correct local or state code deficiencies, add value to the home, improve accessibility, and/or reduces long term energy costs.

MANUFACTURED HOME IMPROVEMENT LOANS

Loans up to \$10,000 are available with below market rates and terms up to 10 years.

Eligible improvements include:

- repairs and replacements that will address code deficiencies
- improve the structural components of the unit (roof, exterior wall, floor trusses)

**Qualifying households may be eligible to have no payments until the home is sold or they have occupied it for 10 years since the start of the project.

DOWN PAYMENT ASSISTANCE (FIRST-TIME HOMEBUYERS)

Loans up to \$30,000 or 5% of purchase price are available with fixed below market rates and terms up to 30 years. Single-family homes, townhomes, twin homes or duplexes, condominiums with a maximum purchase price of \$425,000 are eligible.

Having out-of-town visitors or a large family gathering?

Overnight parking permits can be requested for up to seven days for a special event, guests, or construction.

Overnight parking is not otherwise permitted between 2 – 5 am on Shoreview streets.

Permits are available online at shoreviewmn.gov.
Questions? 651-490-4650.

GARAGE SALES

Here are some helpful tips to keep in mind if you're planning a garage sale this summer.

- You can hold two garage sales each year at your home
- Sales can last up to four days each
- Sales must be held between 7 am and 10 pm
- Signs cannot be larger than 12 square feet or be greater than 12 feet in height
- Up to four signs are allowed per property

DO I NEED A PERMIT?

Planning to update or upgrade your lawn this summer? These popular projects can give your property's appearance a boost and raise your home's curb appeal. Each of these projects need a permit from the city before work begins.

GRADING & EXCAVATING

Work to level your yard, re-landscape areas of your yard or any digging and disruption of the soil.

DRIVEWAYS

Repaving or replacing driveways, including concrete, pavers, and blacktop.

PORCHES & DECKS

Building or replacing porches or decks on any side of the home.

FENCES & IRRIGATION SYSTEMS

Installing these common lawn features requires a permit. Invisible fences and irrigation systems should be installed at least six feet away from the curb to avoid damage from street construction and maintenance work.

ACCESSORY STRUCTURES

Building or replacing any additional structures on the property. This includes sheds, built-in fire pits, garages, and gazebos.

Questions about property maintenance standards? Reach community development at [651-490-4680](tel:651-490-4680) or communitydevelopment@shoreviewmn.gov.

YARDS IN BLOOM

Are you doing something in your yard that benefits pollinators and water quality? Let us know what it is and receive a free yard sign!

The city is promoting a variety of yard care practices to benefit water quality and pollinators. Try one or more of these: incorporate native plants, install a rain garden, seed lawn with fescues, plant a bee lawn, or mow only when needed.

Visit shoreviewmn.gov for more information.

LAWNS TO LEGUMES PROGRAM

Interested in planting pollinator habitat? Apply for cost-share funding of up to \$400 through Minnesota Board of Water and Soil Resources. Applications are due May 15, 2024 for fall 2024 funding.

Visit bluethumb.org/lawns-to-legumes for more information.

WATER EFFICIENCY REBATE PROGRAM

Rebates are available for upgrading qualifying toilets and irrigation controllers!

Save money and water by upgrading to an efficient, WaterSense-certified toilet or smart irrigation controller.

- A WaterSense toilet can save about 13,000 gallons of water and \$140 per year compared to an old, inefficient toilet.
- WaterSense smart irrigation controllers work based on weather conditions to water when needed and to reduce water wasted.

Visit shoreviewmn.gov/watersmart for details and to apply. Funding for the program is provided by the Met Council, the Clean Water, Land & Legacy Amendment, and the City of Shoreview.

WATERING TIPS

Only water when needed

- Water in the morning to reduce the amount of water lost to evaporation
- Water deeply and twice a week to promote a deeper root system
- Make sure to follow watering restrictions in effect from May 15 - September 15
 - Homes with addresses that end in an odd number can water on odd days of the month.
 - Homes with addresses that end in an even number can water on even days of the month.

Did you know?

Pet waste can directly impact water quality. Dog waste that doesn't get picked up and gets washed into lakes and ponds through stormwater runoff contributes to algal blooms, harmful bacteria, and poor habitat for aquatic animals.

DO YOU HAVE AN ASH TREE ON YOUR PROPERTY?

Take action now - make a plan for removal of your ash tree if you have not been treating it. Property owners are asked to remove untreated ash trees on private property by the end of 2025.

Ash trees are being infested by emerald ash borer (EAB), an invasive insect that attacks and kills ash trees native to Minnesota. Treatment with an insecticide trunk injection is effective when it is started early. Many trees that have not already been treated are too heavily infested for treatment.

TIPS FOR HIRING A TREE CARE COMPANY

- Check the list of licensed tree companies shoreviewmn.gov/tree-trimmers
- Get more than one estimate from licensed companies
- Don't pay for work in advance
- Ask about the company's certifications and experience
- Make sure you understand what work is included in the estimate
- The city does not have funding to assist with tree removals on private property

Visit shoreviewmn.gov/trees for more information

RAIN GARDEN MAINTENANCE WORKSHOP

Are you looking for tips on how to care for your rain garden? Look for details on a rain garden maintenance workshop in June at shoreviewmn.gov.

Clean Energy Incentives

Are you considering purchasing an electric vehicle, upgrading to an energy efficient appliance, or installing solar panels? There are various state and federal incentives that make it easier to save money and energy, such as the Minnesota Electric Vehicle Rebate program that just launched in February of this year.

Visit the Clean Energy Resource Teams guide for how to navigate the tax credits and rebates available - cleanenergyresourceteams.org.

Florence was involved in many Shoreview organizations and volunteered in senior citizen projects while being named Ramsey County Outstanding Citizen of the Year by then-governor Arne Carlson.
